

# THE GLOBAL ESPORTS ECOSYSTEM | WEB3 BASED

Make Play-To-Earn Mainstream

# WE ARE GONNA PLAY IT !

## A team of

Gaming addicts who share their passion

## For world communities

Competitive gamers and Esports lovers

## We believe in

Empowering gamers in a trusted environment

## Noobizes builds

Web3 services that monetize video games

## Create new value

Sharing a virtuous Play for Earn ecosystem

*“ Gam(bl)ing is **a billion dollars industry**, we spend days and nights on it, but we hardly get any revenue...  
Is there something we can do about it ? ”*

---

That's how we started building a platform to provide easy pluggable **Play to Earn experiences** for gamers. We use our proven technology to leverage the community engagement on multi-platform **competitive AAA games** as :  
League of Legends, Rocket League, Fortnite, Dota 2, PUBG, and more.

---

**ALLOW GAMERS TO SHARE THEIR PASSION FOR  
GAMING AND **EARN MONEY FROM IT !****

# GAMING MARKET IS BOOMING

**\$ 1.3 Billion**

**Pro Gamers Revenues**

from Esports in 2022

**\$ 196.8 Billions**

**Global Games Market**

2022 total | 2.1% YoY

**3.2 Billions**

**Gamers Community**

# GAMERS HAVE EXPECTATIONS

*Noobizes Has Learned From Them*

## What they **WANT**

**Follow Esports** on their favorite games

**Be part of Esports competitions** where they can have **access to cash prizes** like pro players

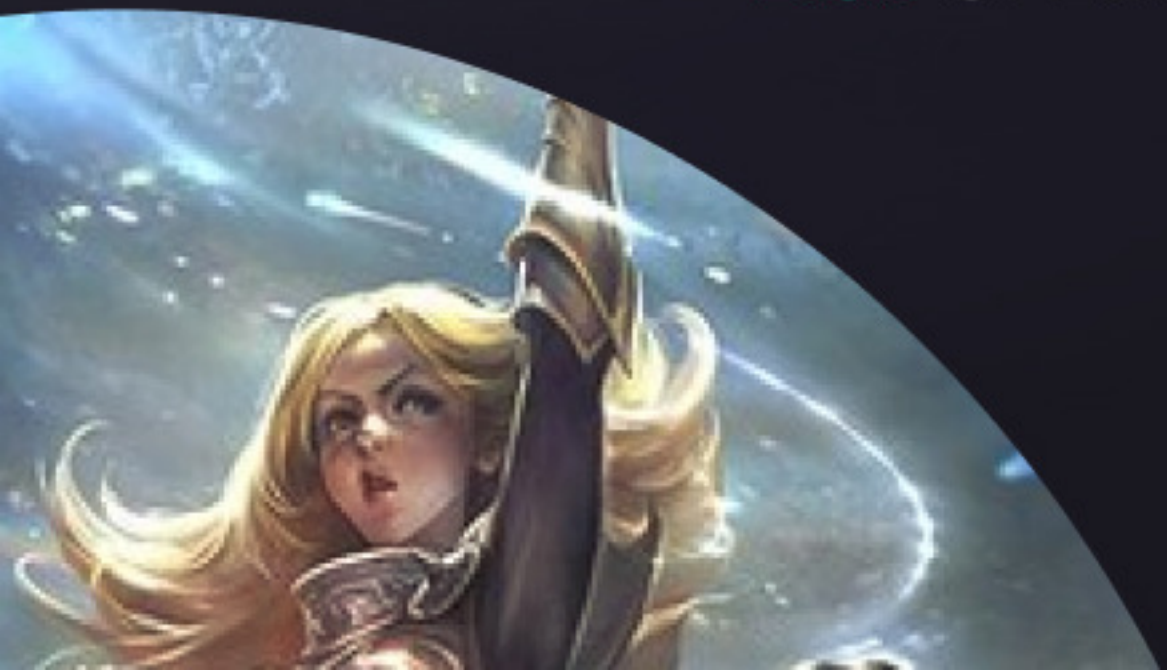

**Play** against their friends and **Bet** on their skills in game

## What they **DON'T WANT**

Play against **online cheating players**

Be constrained to **manually report their scores**

Play on **bad P2E games** without skills and competitive interest

That's Why

# WE DESIGN SERVICES
